Dear Sir/Madam,

I am pleased to provide my highest recommendation for Mr. Satyam Prasad (2022BTCSE023) for the internship position at your esteemed institute between the period of 05th June 2025 and 15th July 2025. As his professor during his B.Tech program at the Central University of Rajasthan, Ajmer, I have had the privilege of mentoring him for the past 2.5 years. During this time, I have closely observed his academic progress, technical proficiency, and problem-solving abilities, which make him an outstanding candidate in the field of Computer Science and Engineering.

Mr. Satyam Prasad has consistently demonstrated strong technical expertise across various domains of Computer Science and Engineering. His solid foundation in DSA, Design and analysis of Algorithm, \ Networking and software development is evident in both his academic performance and hands-on project work. His proficiency in OOPs programming, Software design, and Database design makes him well-equipped to tackle complex technical challenges.

I am confident that Mr. Satyam Prasad will bring a high level of dedication, technical expertise, and innovative thinking to your team. His passion for Software and Networking, combined with his ability to learn and adapt quickly, makes him a valuable asset to any organization. Therefore, I strongly recommend him for this internship opportunity.

Please feel free to contact me if you require any further information or have any question at +91-9829013908 or basant@curaj.ac.in
